Dermatology Nurses' Association

35th Annual Convention

March 1-4, 2017

Caribe Royale Hotel

Orlando, Florida

**You'll have 6 exclusive,
non-competing hours...**

The Dermatology Nurses' Association is the professional organization for dermatology nurses. Members work with board certified dermatologists in offices, outpatient facilities, hospitals, and other settings where patients need dermatology care.

We are pleased to invite you to exhibit during the DNA 2017 Annual Convention to be held March 1-4, 2017 at the Caribe Royale Hotel in Orlando, Florida. We expect more than 600 dermatology nurse professionals to attend.

As an exhibitor, you will have an outstanding opportunity to personally present your important sales and marketing message to hundreds of nurses who initiate product evaluations and who purchase products for use. If your products are used in the dermatology market, your participation with DNA is certain to benefit your sales and marketing program.

The exhibit schedule has been designed to provide the best time for nurses to view exhibits and speak with representatives about products and services. Take advantage of this opportunity to exhibit among dermatology nurses and increase your sales while you support the DNA! Join us in Orlando!

Sincerely,

Tom Greene
